AGENDA COVER MEMO

Memorandum Date: 3/24/2023

Order Date: 04/11/2023

TO:	Board of County Commissioners
DEPARTMENT:	Public Works, Parks Division
PRESENTED BY:	Brett Henry, Parks Division Manager Dan Hurley, Public Works Director
AGENDA ITEM TITLE:	Order/In the Matter of Approving Large Events Occurring In Lane County Parks In CY 2023.

I. MOTION

Move approval for large events occurring in Lane County parks in calendar year 2023.

II. AGENDA ITEM SUMMARY

The Board will be presented with the results and recommendations of the Large Event Oversight Group's work related to event applications received for CY 2023.

III. BACKGROUND/IMPLICATIONS OF ACTION

A. Board Action and Other History

The Board authorized the formation of an administrative task force focused on large events in Lane County Parks under Board Order #14-03-11-06. The Large Events Task Force (LETF) met between June 2014 and September 2015 and presented its final report to the Board on November 10, 2015.

The Board subsequently accepted the recommendations of the Task Force under Board Order #15-11-10-09 that included recommendations to have the Parks Advisory Committee develop criteria and form a Large Event Oversight Group consistent with Appendix G of the report.

On May 2, 2017, the Board considered and approved the Lane County Parks Large Event Assessment Criteria and provided the Parks Advisory Committee latitude in implementing Appendix G of the Large Events Task Force Recommendations establishing a Large Event Oversight Group under Board Order #17-05-02-05.

The Large Event Oversight Group met on March 13, 2023 to review large event applications and make recommendations as to whether they should proceed and be held within Lane County park facilities. A summary of the scoring and the Oversight Group's recommendations is provided in the Analysis section of this memo.

B. Policy Issues

The Board accepted the recommendations of the Large Events Task Force in their entirety with no changes. Recommendations related to the formation of the Large Event Oversight Group indicate the Board's review and approval of the Assessment Criteria and the appointment of the members of the Oversight Group.

The Parks Advisory Committee and staff subsequently worked to develop event Assessment Criteria, form the Oversight Group, evaluate submitted applications, and make recommendations to the Board for approval.

C. Board Goals

Generally, this item supports Vibrant Communities Strategic Priority 2B: *Focus on the intersection of economic development, equity and the environment as we look to achieve a viable, fair and livable community* as viewed through the Stewardship of Resources Lens.

D. Financial and/or Resource Considerations

None identified.

E. Health Implications

None identified.

F. Analysis

Assessment Criteria

There are a total of 24 separate criteria used to comprise an overall score. The total points possible are 108. The higher the score, the better the event conforms to desired impacts. The minimum score threshold is 67. The intent is that any event that scores lower than this is automatically denied and referred back to the applicant to revise their event proposal.

There are also identified critical criteria where a low score would "trigger" a red flag and be identified as a concern regardless of what the total score might be and be referred back to the applicant to address.

Event Application Review

A total of two applications were submitted to the Oversight Group to review. The events and their relative scoring are presented in Attachment 1.

The Oversight Group members scored the applications individually then an "Average Score" for each event was calculated. This score was used as the final score. The mode, minimum, maximum, and range are also presented. The event applications are available for review in Attachment 2 and 3.

Large Event Oversight Group Recommendations

The Oversight Group recommends the Board of Commissioners approve all two events as submitted. Namely, the Mount Pisgah Arboretum's Wildflower & Music Festival to be held in the Howard Buford Recreation Area and Mount Pisgah Arboretum's Mushroom Festival to be held in the Howard Buford Recreation Area.

G. Alternatives/Options

1. Move to adopt order approving Mount Pisgah Arboretum's Wildflower & Music Festival to be held in the Howard Buford Recreation Area and Mount Pisgah Arboretum's Mushroom Festival to be held in the Howard Buford Recreation Area.

2. Move to recommend other action as the Board sees fit and provide advice to staff on how to proceed.

3. Take no action at this time.

IV. RECOMMENDATION

The Large Event Oversight Group has been informed of staff's recommendation. The intent is to honor the spirit of the LETF recommendation to have an open and public process related to large events in Lane County parks and to give the Oversight Group an opportunity to continue refining the application and review process.

Staff is recommending Option 1.

V. TIMING/IMPLEMENTATION

Upon adoption of the order, staff will notify applicants and report back to the Parks Advisory Committee/Large Events Oversight Group.

Any new or revised applications that are received will be reviewed at that time with recommendations forwarded to the Board.

VI. FOLLOW-UP

As the Large Events Oversight Group continues its work, the Board will receive its recommendations for deliberation and action.

VII. ATTACHMENTS

ATTACHMENT 1 – 2023 Large Event Application Scoring Summary

ATTACHMENT 2 – Wildflower & Music Festival Special Event Application

ATTACHMENT 3 – Mushroom Festival Special Event Application

Board Order

2023 Large Event Application Scoring Summary

Minimum Score = 67

More than 3 Triggers = denial/Increased review

Name	Wildflower/Music Festival		Mushroom Festival

3/13/2023

Lane County Parks Special Event Application

Parks Mission:
To preserve and enhance parks and open space within Lane County in a manner that provides visitors outstanding customer service and a diverse, high-quality recreational experience that meets their needs and expectations.

Please answer the questions below. Additional pages may be attached if more space is required. Please also attach any supporting documents. Parks staff is available to answer any questions.

Applicant: Mount Pisgah Arboretum

Proposed Event: Wildflower and Music Festival

Proposed Event Description: An educational, family event with wildflower exhibit & fun outdoor activitties.

Proposed Event Location: Mount Pisgah Arboretum

Proposed Date(s): May 21, 2023 and **Time(s)**: From 10 am to 5 pm

Days of the Week: Mon. ☐ Tues. ☐ Wed. ☐ Thurs. ☐ Fri. ☐ Sat. ☐ Sun. ☑

Why do you consider this the best venue for your event, perhaps over another location?

This event has been held at Mount Pisgah Arboretum, within HBRA annually since 1980.

Estimated **Gross** Revenue: $22,000

Will this be a recurring yearly event or a one-time event only? recurring yearly

In the spaces provided below, please answer each of the following questions. Be sure to clearly document your response whenever possible and state any assumptions being made.

Event Questionnaire:

1. Please provide a general Anticipated Environmental Impact Statement and describe your plans to mitigate these impacts? Please consider impacts to wildlife, water quality, and vegetation (turf, shrubs, trees, landscaping) and how long it will take the park to recover to pre-event status/condition.

   All activity will be in areas designed to host events. We anticipate minimal disturbance of wildlife in the vicinity of the White Oak Pavillion. Activities will take place on hardscaped and turf surfaces. Soil compaction will be a small fraction of what occurs within this part of the Arboretum during the course of the year. Attendance this year will be limited to 1,200 with advance ticket sales only and staggered entry times.

Lane County Parks Special Event Application

2. Please provide any anticipated noise issues and what your plan may be to reduce or control noise. If there will be amplified sound, please indicate the time frame that the noise associated with it will occur. (Mark the one that most closely fits your event.)

- [ ] None
- [ ] Less than 20% of event
- [ ] Between 20% and 40% of event
- [x] Greater than 40% of event

Comments: The event will feature live music from 10 am to 5 pm. Music volume will be kept well below County code restrictions.

3. Describe your anticipated need for Park Maintenance or Ranger Staff for this event, particularly pre-event needs. Please indicate level of staff involvement as appropriate. (Mark the one that most closely fits your event.)

- [x] None
- [ ] On-site at end of event
- [ ] Requires pre-event and/or ongoing during event
- [ ] Requires multiple days to return park back to public use

Comments:

4. What is the anticipated cumulative attendance? (Cumulative attendance is the total number of attendees over the course of the event i.e., 500 people per day for 3 days = 1500 people.)

- [x] Up to 1,999
- [ ] 2,000 to 2,999
- [ ] 3,000 to 3,999
- [ ] 4,000 to 4,999
- [ ] 5,000 to 5,999
- [ ] 6,000 or more

What is the estimated number of people per day and the peak attendance?

1200 Total number of attendees per day

500 Highest number of attendees at any time during the event

Lane County Parks Special Event Application

5. Will police services be required (contracted) for this event? If so, describe why and indicate level of staffing required.

   - [x] None
   - [ ] Minimal: law enforcement notified of event
   - [ ] Significant: law enforcement contracted to patrol the event

   Comments:

6. Describe any pre-event hardscaping site modifications that are needed for this event. This includes any changes to the ground (example: creating a gravel parking area, regrading, permanent improvements or modifications).

   Description: None needed.

7. Please indicate the primary road classification of the road access you plan to use for this event. (Mark the choice that most closely fits your event. Parks staff can help identify road classifications associated with a proposed event.)

   - [ ] State
   - [x] County
   - [ ] Primary Street
   - [ ] Local Neighborhood Streets
   - [ ] Only 1 Neighborhood Street
   - [ ] No Direct Access – must walk into site

8. Please indicate the level of parking needed for this event. (Mark the choice that most closely fits your event.)

   - [ ] No impact on available spaces
   - [x] Requires designated/restricted parking for event
   - [ ] Entire available parking restricted for event
   - [ ] Parking not adequate or available on site

   Comments: HBRA's main (Arboretum) lot will be used for this event, but will also be available for regular park visitors. Given the limit of 1,200 pre-purchase only tickets, the staggered entrance times, and our experience with hosting similar sized events, we believe the main lot has the needed capacity while still providing for other park visitors.

Lane County Parks Special Event Application

9. Please provide a general Anticipated Transportation/Access Impact on roads. Be sure to include any potential route conflicts, ingress/egress, or other possible conflicts. Do you have a Transportation Access plan or can one be established? Is alternative transportation to the event available, such as a park & ride or shuttle from another location?

- [x] Fully available and being utilized
- [ ] Some integrated into event
- [ ] None offered or available

Comments: Traffic plan developed over 43-year event history and modified to accommodate this smaller event. Staff and volunteers direct cars from Park entrance to main lot via the lower road and ensure that Park ingress and egress remains fluid.

10. Describe how this event might disrupt current or seasonal normal park activities. Will regular park users be completely unable to use the park during your event?

Description: We do not expect this event to disrupt normal park activities.

11. Will there be an admission fee for entrance into the event? If so, please outline proposed fee structure. Also indicate if parking fees are included in these fees.

Description: Tickets will need to be purchased in advance for $12 per person (children under 12 free). LCP has historically waived parking fees for this event.

12. Describe any cultural or educational elements that will be featured in your event.

Description: Arboretum partners with Lane Community College and the Native Plant Society of Oregon to display hundreds of wildflower species, with experts to answer questions. Also includes guided walks, a nature art exhibit, children's crafts, and live music.

13. Describe any health and/or fitness elements that will be featured in your event.

Description: The event will include guided nature walks.

14. Please describe how your event meets environmentally friendly goals in each of the following areas:

Recycling:	The limited amount of expected waste will be recycled or composted.
WasteReduction:	Food vendors must use all compostables which we process on site.
EnergyConservation:	Minimal energy is needed for this event.
Bicycling:	We provide bike racks but there is not a safe bike route to the site.
Environmental Education:	Environmental education is a major focus of this event.

Comments:

Lane County Parks Special Event Application

15. Please indicate the level of sanitation facilities required for this event.

- [x] Existing facilites adequate
- [ ] Existing facilities will be used, but supplemental (portable toilets) required
- [ ] No existing facilities at site, supplemental (portable toilets) required

Comments: Given the planned attendance, the 6 regularly available restrooms will be sufficient.

16. Please indicate the geographical impact (from light, sound, traffic etc.) your event will have. (Mark the choice that most closely fits the impact).

- [x] Impact only within the footprint of the park
- [ ] Impact limited to up to 200 feet outside of park
- [ ] Impact between 200 - 800 feet outside of park
- [ ] Impact more than 800 feet outside of park

Comments:

17. What level of fire services (suppression) will be required?

- [x] None required
- [ ] Minimal services required
- [ ] Major services required

Comments: This event will be held outside the fire season. The Arboretum has waterhoses available throughout the event footprint and provides an additional portable water tank and pump set up near the stage and food court area.

18. What level of emergency medical services will be required?

- [ ] None required
- [x] Minimal services required
- [ ] Major services required

Comments: First aid booth is provided and staffed by volunteer medical professionals.

Lane County Parks Special Event Application

19. Will food and beverages be sold on site?
- ☐ None
- ☑ Food/beverage (non-alcohol)
- ☐ Food/beverage (including alcohol)

Comments: We expect to engage three or four food vendors and one non-alcoholic beverage vendor as well as a small wine garden managed by a licensed local vineyard.

20. Describe the impact to area businesses (both positive and negative).

Description: Previous festival data indicates 6% of festival goers come from out of state. The event only lasts seven hours and provides no overnight accommodations, so it is likely that these visitors are supporting local busineses while in the area.

21. Describe how this event will generally impact area and nearby residents in terms of sound, lights and traffic. Please characterize each of the impacts you identify as having 'no effect', 'minimal effect', 'moderate effect', or 'major effect'. Description:

Traffic along Seavey Loop Rd will be slightly higher compared to other weekends at this time of the year. We anticipate this will have a minimal effect. We anticipate that the intermittent music will have minimal effect on nearby residents.

22. Will any funds be donated to charity? If so, how much? All funds support the Arboretum's charitable

23. Has Lane County approved this event before? If so, how many times?
- ☑ Yes, the event has been approved before.
  - 42 Number of times approved.
- ☐ An application was submitted, but not approved.
  - Number of times submitted.
- ☐ An application has not been submitted before.

24. Are you able to agree to the following general terms if we were to partner with you to host your event? (Please mark Yes, No, or Negotiable in the space provided.)

Yes	No	Negotiable	
☐	☑	☐	Lane County Parks will receive 15% of event gross revenue.
☐	☑	☐	Lane County Parks will also asses a Natural Areas Mitigation Fee (up to 1.5% of Gross Revenue in addition to the fee above) depending on your event size or type of event.
☐	☑	☐	Lane County Parks will require a Performance Bond/Security Deposit between $1,000 and $25,000 depending on our assessment of risk of your event. This bond is non-refundable (in case of event cancellation, etc.), but will be used as part of your event final payment.
☑	☐	☐	Lane County Parks requires a Waste Management and Recycling Plan and strives for "green" events, we may require an extensive waste plan.
☑	☐	☐	Produce, within 30 days of your event, an Insurance Certificate of $2,000,000 per occurance and $4,000,000 aggregate of Commercial General Liability Insurance and Additional Insured Endorsement listing Lane County as Additional Insured.
☑	☐	☐	Provide an event Final Report, including all sales, expenses, demographic and any other information requested by Lane County for informational purposes.

Lane County Parks Special Event Application

Parks Mission:
To preserve and enhance parks and open space within Lane County in a manner that provides visitors outstanding customer service and a diverse, high-quality recreational experience that meets their needs and expectations.

Please answer the questions below. Additional pages may be attached if more space is required. Please also attach any supporting documents. Parks staff is available to answer any questions.

Applicant: Mount Pisgah Arboretum

Proposed Event: Mushroom Festival

Proposed Event Description: An educational, family event w/ mushroom exhibit & fun outdoor activitties.

Proposed Event Location: Mount Pisgah Arboretum

Proposed Date(s): October 29, 2023 and **Time(s)**: From 10 am to 5 pm

Days of the Week: Mon. ☐ Tues. ☐ Wed. ☐ Thurs. ☐ Fri. ☐ Sat. ☐ Sun. ☑

Why do you consider this the best venue for your event, perhaps over another location?

This event has been held at Mount Pisgah Arboretum, within HBRA annually since 1981 (except 2020).

Estimated **Gross** Revenue: $66,300

Will this be a recurring yearly event or a one-time event only? recurring yearly

In the spaces provided below, please answer each of the following questions. Be sure to clearly document your response whenever possible and state any assumptions being made.

Event Questionnaire:

1. Please provide a general Anticipated Environmental Impact Statement and describe your plans to mitigate these impacts? Please consider impacts to wildlife, water quality, and vegetation (turf, shrubs, trees, landscaping) and how long it will take the park to recover to pre-event status/condition.

   All activity will be in areas designed to host events. We anticipate minimal disturbance of wildlife in the vicinity of the White Oak Pavillion. Activities will take place on hardscaped and turf surfaces. Soil compaction will be a small fraction of what occurs within this part of the Arboretum during the course of the year. Attendance this year will be limited to 3,600 with advance ticket sales only. Overflow parking will be located in the North Bottomlands. This area is a former pasture with a history of disturbance, and event timing is outside of critical nesting or breeding season for local wildlife.

Lane County Parks Special Event Application

2. Please provide any anticipated noise issues and what your plan may be to reduce or control noise. If there will be amplified sound, please indicate the time frame that the noise associated with it will occur. (Mark the one that most closely fits your event.)

- [ ] None
- [ ] Less than 20% of event
- [ ] Between 20% and 40% of event
- [x] Greater than 40% of event

Comments: The event will feature live music from 10 am to 5 pm. Music volume will be kept well below County code restrictions.

3. Describe your anticipated need for Park Maintenance or Ranger Staff for this event, particularly pre-event needs. Please indicate level of staff involvement as appropriate. (Mark the one that most closely fits your event.)

- [ ] 4,000 to 4,999
- [ ] 5,000 to 5,999
- [ ] 6,000 or more

What is the estimated number of people per day and the peak attendance?

3600 Total number of attendees per day

1600 Highest number of attendees at any time during the event

Lane County Parks Special Event Application

5. Will police services be required (contracted) for this event? If so, describe why and indicate level of staffing required.

   - [x] None
   - [ ] Minimal: law enforcement notified of event
   - [ ] Significant: law enforcement contracted to patrol the event

   Comments:

6. Describe any pre-event hardscaping site modifications that are needed for this event. This includes any changes to the ground (example: creating a gravel parking area, regrading, permanent improvements or modifications).

   Description: None needed.

7. Please indicate the primary road classification of the road access you plan to use for this event. (Mark the choice that most closely fits your event. Parks staff can help identify road classifications associated with a proposed event.)

   - [ ] State
   - [x] County
   - [ ] Primary Street
   - [ ] Local Neighborhood Streets
   - [ ] Only 1 Neighborhood Street
   - [ ] No Direct Access – must walk into site

8. Please indicate the level of parking needed for this event. (Mark the choice that most closely fits your event.)

   - [ ] No impact on available spaces
   - [x] Requires designated/restricted parking for event
   - [ ] Entire available parking restricted for event
   - [ ] Parking not adequate or available on site

   Comments: HBRA's main (west) and north lots will be used for this event, but will also be available for regular park visitors. Additional event parking will be provided in an overflow lot on former pasture lands in the North Bottomlands.

Lane County Parks Special Event Application

9. Please provide a general Anticipated Transportation/Access Impact on roads. Be sure to include any potential route conflicts, ingress/egress, or other possible conflicts. Do you have a Transportation Access plan or can one be established? Is alternative transportation to the event available, such as a park & ride or shuttle from another location?

- [x] Fully available and being utilized
- [ ] Some integrated into event
- [ ] None offered or available

Comments: Traffic plan developed over 42-year event history and updated in 2019. Volunteers direct cars from Park entrance to 3 different lots and ensure that park ingress and egress remains fluid. Free shuttles provided from lots to event site.

10. Describe how this event might disrupt current or seasonal normal park activities. Will regular park users be completely unable to use the park during your event?

Description: Other park users may need to park vehicles farther from their intended park access point due to the large number of visitors for the event. However, this date is outside high-use season and we do not anticipate large numbers of regular park visitors.

11. Will there be an admission fee for entrance into the event? If so, please outline proposed fee structure. Also indicate if parking fees are included in these fees.

Description: Tickets will need to be purchased in advance for $15 per person (children under 12 free). LCP has historically waived parking fees for this event.

12. Describe any cultural or educational elements that will be featured in your event.

Description: The Arboretum partners with Lane Community College and Cascade Mycological Society to display hundreds of species of mushrooms, generally the largest such display on the west coast. Experts will be on hand to answer questions and guided

13. Describe any health and/or fitness elements that will be featured in your event.

Description: The event will include guided nature walks.

14. Please describe how your event meets environmentally friendly goals in each of the following areas:

Recycling:	OSU Master Recylers provide recycling, composting & education table
WasteReduction:	Food vendors must use all compostables which we process on site.
EnergyConservation:	Minimal energy is needed for this event.
Bicycling:	We provide bike racks but there is not a safe bike route to the site.
Environmental Education:	Environmental education is a major focus of this event.

Comments:

BEFORE THE BOARD OF COMMISSIONERS OF LANE COUNTY, OREGON

ORDER NO: 23-04-11-04	In the Matter of Approving Large Events Occurring In Lane County Parks In CY 2023.

WHEREAS, the Board of Commissioners the Board of Commissioners accepted the recommendations of the Lane County Parks Large Events Task Force under Board Order #15-11-10-09; and

WHEREAS, the Board of Commissioners considered and approved the Lane County Parks Large Event Assessment Criteria and provided the Parks Advisory Committee latitude in implementing Appendix G of the Large Events Task Force Recommendations establishing a Large Event Oversight Group under Board Order #17-05-02-05; and

WHEREAS, The Large Event Oversight Group met on March 13, 2023 to review two large event applications and make recommendations as to whether they should proceed and be held within Lane County park facilities.

NOW, THEREFORE, the Board of County Commissioners of Lane County **ORDERS** as follows:

1. Both the Wildflower & Music Festival and the Mushroom Festival to be held in the Howard Buford Recreation Area are approved for calendar year 2023.

ADOPTED this 11th day of April, 2023.

_____

Pat Farr, Chair
Lane County Board of Commissioners
