

Memorandum Date: April 13, 2023
Order Date: May 2, 2023

TO: Board of County Commissioners
DEPARTMENT: Lane County Public Works
PRESENTED BY: Dan Hurley, Public Works Director
AGENDA ITEM TITLE: ORDER/In The Matter Of Approving Annual Public Works Purchase Contracts For Road Maintenance Materials, And Delegating Authority To The County Administrator To Execute The Contracts

I. MOTION

Move to approve annual public works purchase contracts for road maintenance materials and delegate authority to the County Administrator to execute the contracts.

II. DISCUSSION

A. Background Analysis

On an annual basis, the Road Maintenance Division issues requests for bids for road maintenance materials, primarily for rock and asphaltic materials, and executes contracts with multiple suppliers, guaranteeing minimum purchase amounts of only \$100. Generally, all available local suppliers provide bids, and when such materials are required by Public Works, the Division calculates the least expensive supplier for the required materials based primarily on proximity to the work site or availability at the time the materials are required.

Under Lane Manual sections 20.610, 20.650, and 20.660, the County Administrator's authority to award and execute contracts and to execute amendments to contracts is limited to \$150,000 and a three-year term limit, unless an exception applies. Since it is unknown at the time of contract award the amount of material, if any, that will be purchased from any supplier, the Division seeks the Board's approval of the contracts, in the event over \$150,000 of materials may be required from a single vendor during the year.

B. Health Implications

None.

C. Alternatives Options

1. Approve purchase associated contracts from the vendors referenced in Exhibit A, at the rates stated therein, and delegate authority to the County Administrator to execute the contracts.
2. Approve only specific associated contracts referenced in Exhibit A, and direct staff to not enter into one or more of the listed vendors.
3. Do not approve the associated contracts referenced in Exhibit A

D. Recommendation

1. Lane County Public Works recommends Option #1 - Approve the contracts referenced in Exhibit A and delegate authority to the County Administrator to execute the contracts.
