

AGENDA CONSENT CALENDAR MEMO

Memorandum Date: April 5, 2024

Order Date: April 23, 2024

TO: Board of County Commissioners

DEPARTMENT: Lane County Public Works

PRESENTED BY: Dan Hurley, Public Works Director

AGENDA ITEM TITLE: ORDER / In the Matter of Approving Annual Public Works Purchase Contracts for Aggregate and Soil Materials, and Delegating Authority to the County Administrator to Execute the Contracts.

I. MOTION

Move to approve annual public works purchase contracts for aggregate and soil materials and delegate authority to the County Administrator to execute the contracts.

II. DISCUSSION

A. Background Analysis

On an annual basis, the Road Maintenance Division issues requests for bids for aggregate and soil materials, and executes contracts with multiple suppliers. Generally, all available local suppliers provide bids, and when such materials are required by Public Works, the Division calculates the least expensive supplier for the required materials based primarily on proximity to the work site or availability at the time the materials are required.

Under Lane Manual sections 20.600.100, 20.600.300, 20.600.310 and 20.600.320, the County Administrator's authority to execute amendments to contracts is limited to 50% of the original contract amount, unless an exception applies. The proposed contract described in the attached Exhibit A requires delegation of additional authority to the County Administrator for execution.

B. Health Implications

None

C. Alternative Options

1. Approve purchase associated contracts from the vendors referenced in Exhibit A, at the rates stated therein, and delegate authority to the County Administrator to execute the contracts.
2. Approve only specific associated contracts referenced in Exhibit A, and direct staff to not enter into one or more of the listed vendors.
3. Do not approve the associated contracts referenced in Exhibit A.

II. RECOMMENDATION

Lane County Public Works recommends Option #1 – Approve the contracts and amendments listed in Exhibit A and delegate authority to the County Administrator to sign the contracts and amendments.
