Memorandum Date: April 12, 2024
Order Date: April 30, 2024

TO: Board of County Commissioners

DEPARTMENT: Public Works/Engineering and Construction Services/Surveyors

PRESENTED BY: Mikeal Jay Blommé, County Surveyor

AGENDA ITEM TITLE: ORDER / IN THE MATTER OF THE SURRENDER OF SEVEN COUNTY ROADS OR PORTIONS THEREOF TO THE CITY OF EUGENE WITH A PUBLIC HEARING.

I. MOTION

MOVE TO APPROVE THE ORDER TO SURRENDER PORTIONS OF SEVEN COUNTY ROADS TO THE CITY OF EUGENE.

II. AGENDA ITEM SUMMARY

The City of Eugene has requested the surrender of portions of seven County Roads located within an annexed portion of the city limits of Eugene. As provided by ORS 373.270, it is required to consider public testimony of the city's request to surrender the roads prior to approval or denial by the Board.

III. BACKGROUND/IMPLICATIONS OF ACTION

A. Board Action and Other History

The City of Eugene, pursuant to Council Resolution No. 5400, dated February 14, 2024, is formally requesting jurisdiction over portions of the following seven County Roads:

- Bailey Hill Road, County Road No. 1297.
- Greenhill Road, County Road No. 36 and 465.
- Marion Lane, County Road No. 1256.
- Cornwall Avenue, County Road No. 1772.
- Byron Street, County Road No. 1891 and 2146.
- River Road, County Road No. 200.
- Irvington Drive, County Road No. 540.

The portions of roads proposed for surrender as described on Exhibit "A" to the Order have been annexed into the city limits of Eugene and consist of approximately 5.78 miles of right of way collectively.

The Board of County Commissioners, pursuant to Order 24-03-19-02, set April 30, 2024, to consider this matter during public hearing.

B. Policy Issues

ORS 373.270 provides for the transfer from County jurisdiction to City jurisdiction of County Roads within the corporate limits of a City, whenever the County governing body deems it necessary, expedient or for the best interest of the County to do so; and the governing body of the City deems it necessary or expedient and for the best interest of the City to acquire jurisdiction over the County Roads or parts thereof to the same extent as it has over other public streets and alleys of the City.

C. Board Goals

This action is consistent with Lane County's Strategic Plan of working together to create vibrant communities. Surrendering the portions of County Roads that have been annexed into the City of Eugene will allow them to maintain, develop and improve them as necessary to the City's specifications, standards, and timetables.

D. Financial and/or Resource Considerations

On March 12th, the Board approved Order No. 24-03-12-03 which included an Intergovernmental Agreement (IGA) between the City of Eugene and Lane County. The IGA stipulates the County provide $940,000 to the City upon the completion of the jurisdictional transfer of River Road. The $940,000 will be used by the City of Eugene for future street improvements.

Road Maintenance Staff estimates the County expends an average of nearly $29,000 per road mile for maintenance activities on County Roads within the City of Eugene Urban Growth Boundary. If this jurisdictional transfer is approved, it is estimated the County will save approximately $167,000 per year on road maintenance.

E. Health Implications

There are no significant health implications.

F. Analysis

ORS 373.270 provides for the transfer of jurisdiction over County Roads within a city and that legal notice of hearing be posted or published. The City of Eugene has adopted Council Resolution No. 5400, dated February 14, 2024, formally requesting jurisdiction over portions of seven County Roads within the city limits be transferred from Lane County to the City of Eugene. Legal notice has been provided by publication as required by ORS 373.270, as detailed in the Affidavit of Notice by Publication, Exhibit "D."

G. Alternatives/Options

The Board of County Commissioners has the option to:

1. Approve the Order to surrender the County Roads to the City of Eugene.

2. Deny the Order and direct staff otherwise.

IV. RECOMMENDATION

The Public Works Director's Report, attached as Exhibit "B," recommends the Board of Commissioners approve the Order to surrender the County Roads as described in Exhibit "A" to the Order to the City of Eugene.

V. TIMING/IMPLEMENTATION

The City of Eugene respectfully requests the Board consider this matter in a timely manner.

VI. FOLLOW-UP

If approved by the Board, the County's involvement in the process will be concluded. The County Clerk shall file the Order in the Commissioner's Journal of Administration and forward copies to the Lane County Surveyor who shall update appropriate indexes and County Road records.

If the Board does not support the surrender, an Order to deny will be presented at a later date.

BEFORE THE BOARD OF COUNTY COMMISSIONERS OF LANE COUNTY, OREGON

DIRECTOR'S FINAL REPORT	IN THE MATTER OF THE SURRENDER OF SEVEN COUNTY ROADS OR PORTIONS THEREOF TO THE CITY OF EUGENE WITH A PUBLIC HEARING.

The City of Eugene has adopted Council Resolution No. 5400, dated February 14, 2024, formally requesting the transfer of portions of seven County Roads within their city limits.

The combined portions of the County roads consist of approximately 5.78 miles of right of way as described on Exhibit "A," and depicted on Exhibit "D," attached to and made a part of the Order for the proposed surrender of said County Roads. The subject portions of the roads are currently under the jurisdiction of Lane County, and the transfer of jurisdiction over these County Roads would enable the City of Eugene to maintain, develop, and improve the roads to the city's own specifications, standards, and timetables.

ORS 373.270 provides for the transfer of jurisdiction over a County Road within a City. The County may transfer jurisdiction over a County Road or portion thereof within a City when it is considered to be necessary, expedient, or for the best interest of the County to do so; and the governing body of the City deems it necessary or expedient and for the best interest of the City to acquire jurisdiction over the County Road or part thereof to the same extent as it has over public streets and alleys of the City. ORS 373.270 also requires a public hearing for these proceedings, with notice to the public provided by posting or publication. Legal notice has been provided by publication as required by ORS 373.270.

It is recommended the Board of County Commissioners approve the Order to surrender the County Roads as described in Exhibit "A" to relieve the County's responsibilities to expend Road Fund monies on maintenance activities. Approval by the Board will also allow the City of Eugene to maintain, develop, and improve the roads to the City's own specifications, standards, and timetables.
