

AGENDA COVER MEMO

Memorandum Date: July 2, 2025

Order Date: July 22, 2025

TO: Board of County Commissioners

DEPARTMENT: Sheriff's Office

PRESENTED BY: DJ Mann, Captain

AGENDA ITEM TITLE: ORDER/IN THE MATTER OF APPROVING A SOLICITATION TO THE US ARMY CORPS OF ENGINEERS FOR PATROLS ON ARMY CORP PROPERTIES IN LANE COUNTY FOR ONE YEAR IN THE AMOUNT OF \$279,475 AND DELEGATING AUTHORITY TO THE COUNTY ADMINISTRATOR TO SIGN THE SOLICITATION AND SUBSEQUENT CONTRACT IF AWARDED

I. MOTION

Move approval of a solicitation to the US Army Corps of Engineers for 1.0 FTE Deputy Sheriff to patrol US Army Corps properties in Lane County for one year in the amount of \$279,475 and delegate authority to the County Administrator to sign the solicitation and subsequent contract, if awarded.

II. AGENDA ITEM SUMMARY

The Sheriff's Office (SO) has been in conversations with the US Army Corps of Engineers (USACE) over the past two years regarding the availability of a contract for 1.0 FTE Deputy Sheriff to patrol the Army Corp locations in Lane County.

The SO has been able to identify the availability of an FTE and is optimistic that the contract may be extended past the initial year.

III. BACKGROUND/IMPLICATIONS OF ACTION

A. Board Action and Other History

The Sheriff's Office contracts with various partner agencies to provide dedicated law enforcement services. In 2007, the SO partnered with the US Army Corps of Engineers for limited patrols on two specific properties. The proposal for the new

agreement includes nine locations throughout Lane County: Dexter, Fall Creek, Hills Creek, Lookout Point, Dorena, Cottage Grove, Fern Ridge, Blue River and Cougar.

The additional patrols at the USACE sites is beneficial to the SO as well. This contract will provide an extra deputy travelling though the county on a regular basis.

B. Policy Issues

This solicitation follows the policy in Lane Manual 4.005-010© Expenditure Policies. The proposal provided to the USACE by the SO includes cost recovery of the expense of a fully loaded Deputy Sheriff position, support services and materials and services needed to perform the duties of the position. Also included are the start-up costs to add equipment such as radios, a laptop, and a taser.

C. Board Goals

This solicitation supports Goal 1: Safe and Healthy County, Objective 1 Emergency Response in the Lane County Strategic Plan 2025-2027.

The deputy position contracted by the USACE will be dedicated to the contract terms; however, as the deputy travels throughout the county, they will be able to respond and assist other patrol activity that requires immediate attention.

D. Financial and/or Resource Considerations

The revenue expected from this contract will support 1.0 FTE Deputy Sheriff position for one year. The US Army Corps of Engineers hopes to continue the contract into future years, but the current federal process only allows them to contract for one year at a time.

Other costs covered through this contract are Police Records and Dispatch personnel required to support a deputy position. Start-up costs for laptop, radios and other specialized equipment are included in this one-year proposal.

E. Health Implications

None

F. Analysis

The solicitation from the US Army Corps of Engineers is an opportunity for the Sheriff's Office to reestablish the partnership and to add a Deputy Sheriff position.

G. Alternatives/Options

1. Approve the solicitation with the US Army Corps of Engineers. The Sheriff's Office will return the solicitation and present a contract to the County

Administrator for execution, if awarded.

2. Do not approve the solicitation with the US Army Corps of Engineers.
3. Defer a partnership with the US Army Corps of Engineers until a longer contract period can be awarded, most likely to occur under a new federal administration.

IV. RECOMMENDATION

Staff recommend Option 1.

V. TIMING/IMPLEMENTATION

The solicitation will be sent to the USACE if approved and they will issue a contract that is scheduled to begin on September 12, 2025.

VI. FOLLOW-UP

Upon contract award, the SO will complete the necessary budgetary and Board actions to appropriate the revenue and add 1.0 FTE.
