

AGENDA COVER MEMO

Memorandum Date: August 11, 2025

Order Date: August 26, 2025

TO: Board of County Commissioners

DEPARTMENT: Sheriff's Office

PRESENTED BY: Capt. DJ Mann

AGENDA ITEM TITLE: ORDER AND RESOLUTION/ IN THE MATTER OF ADDING
1.0 FTE AND INCREASING FY 2025-2026 APPROPRIATIONS
IN THE SPECIAL REVENUE FUND WITHIN THE
DEPARTMENT OF THE SHERIFF'S OFFICE IN THE AMOUNT
OF \$210,000

I. MOTION

Move approval of the addition of one full-time (1.0 FTE) Deputy Sheriff position in fund (260) within the Sheriff's Office and increase Fiscal Year 2025-2026 appropriations in the amount of \$210,000.

II. AGENDA ITEM SUMMARY

The Board is being asked to approve the addition of one regular, full-time (1.0 FTE) Deputy Sheriff position and appropriate \$210,000 in Fiscal Year 2025-2026 in Special Revenue Fund 260 in the Sheriff's Office. This addition is necessary to accommodate a contract with the US Army Corp. of Engineers which will begin on September 26, 2025 and run through September 11, 2026.

III. BACKGROUND/IMPLICATIONS OF ACTION

A. Board Action and Other History

The Board adopted the Sheriff's Office FY25-26 budget as part of the County's budget process on June 24, 2025, with Board Order and Resolution 25-06-24-10. On July 22, 2025, the Board approved a solicitation with the US Army Corp of Engineers for a dedicated enforcement deputy on Board Order 25-07-22-05.

B. Policy Issues

There are no policy implications related to this request.

C. Board Goals

Goal 1: Safe and Healthy County, Objective 1: Emergency Response

The funding provided through the US Army Corp of Engineers (USACE) will allow the Sheriff's Office to add one full-time (1.0 FTE) Deputy Sheriff to the department. This deputy will be focused on patrolling nine USACE sites throughout Lane County. Having a dedicated deputy ensures an emergency response if an incident occurs at one of these sites.

D. Financial and/or Resource Considerations

The contract with the US Army Corp of Engineers includes the cost of a Deputy Sheriff, associated benefits, start-up costs and ongoing Materials and Services costs such as uniforms and vehicle maintenance costs.

Funding is secured for one year, but the USACE is working to secure funds for future contract years.

E. Health Implications

None

F. Analysis

The US Army Corp of Engineers has been in conversation with the Sheriff's Office regarding the addition of a deputy to dedicate to patrolling their sites located in Lane County. Previously, the Sheriff's Office did not have the personnel resources to add another position; however, with the District Deputy programs reduced by one deputy position in each district, the Office has the ability to assign someone to this contract.

The locations of the USACE sites are situated across Lane County. The addition of this deputy will increase the Sheriff's Office presence and visibility. The USACE administered areas include Dexter, Fall Creek, Hills Creek, Lookout Point, Dorena, Cottage Grove, Fern Ridge, Blue River and Cougar. Patrols will be strategically planned to enhance visitor safety, promote water safety, ensure compliance with boating and fishing laws, natural and cultural resource protection and security of facilities. LCSO will enforce civil and criminal laws of the state and/or county on the public lands, waters, roads and trails administered by USACE.

G. Alternatives/Options

1. Approve the addition of 1.0 Deputy Sheriff position and appropriate \$210,000 in Fund (260) within the Sheriff's Office funded through a contract with the US Army Corp of Engineers to provide enhanced patrols at sites they administer.
2. Do not approve the addition of FTE or a contract with the US Army Corp of Engineers for enhanced patrols.

IV. RECOMMENDATION

Staff recommend Option 1 above.

V. TIMING/IMPLEMENTATION

Contract work for the US Army Corp of Engineers will commence on September 26, 2025, if this addition is approved.
