

AGENDA COVER MEMO

Memorandum Date: September 12, 2025

Order Date: September 30, 2025

TO: Board of County Commissioners

DEPARTMENT: Sheriff's Office

PRESENTED BY: Debby Haller, Finance Manager

AGENDA ITEM TITLE: ORDER/IN THE MATTER OF EXTENDING CURRENT CONTRACTS WITH LEADS ONLINE LLC, SMITHS DETECTION AND GRANICUS BEYOND A FIVE-YEAR TERM AND DELEGATING AUTHORITY TO THE COUNTY ADMINISTRATOR TO EXECUTE THE AMENDMENTS

I. MOTION

Move approval of contract amendments on existing contracts for Leads Online, Smith's Detection and Granicus beyond a five-year term and delegate authority to the County Administrator to execute the amendments.

II. AGENDA ITEM SUMMARY

The Sheriff's Office maintains a subscription with Leads Online LLC for law enforcement investigations. The current agreement expires on September 30, 2025, and a one-year extension brings the total length to seven years. Additional expense of \$6,972 is also added to the contract bringing the total contract to \$39,762.

The body scanner in use at the jail requires a maintenance agreement. The original three-year contract is being renewed for an additional three years and \$37,647.72 is added as an expense to bring the total agreement to \$72,506.72.

A cloud-based public records request system through Granicus is used by Police Records to receive and track records requests. The is the second three-year extension of the original three-year agreement and brings the total term to nine years. An expense of \$34,167.84 is added for the new term, brining the total contract agreement to \$76,987.59.

III. BACKGROUND/IMPLICATIONS OF ACTION

A. Board Action and Other History

The three contracts listed have not been presented to the Board in the past since the terms and amounts fell within a lower authority threshold.

B. Policy Issues

None

C. Board Goals

The contracts represented here continue to support Goal 1: Safe and Healthy County in the 2025-2025 Lane County Strategic Plan.

D. Financial and/or Resource Considerations

The expenses related to the contracts represented in this memo were included in the Fiscal Year 2025-2026 budget and the funds have already been approved by the Board and appropriated, as these are ongoing expenses.

E. Health Implications

None

F. Analysis

The three contract amendments included for consideration in this memo include Granicus, a software subscription for receiving and tracking records requests submitted directly to the Sheriff's Office. There are strict timelines associated with the responses to these inquiries and the software manages those timelines.

The jail utilizes a body scanner for all persons taken into custody. The maintenance agreement is critical to keeping the scanner in operation and for completing routine maintenance.

The detectives in the department use the Leads Online LLC subscription as a tool to run case information against billions of transactions across the country to identify people, property and patterns.

G. Alternatives/Options

1. Do not approve the amendments for one or more of the contracts included and direct staff to look for alternative options.
2. Approve the attached amendments.

IV. RECOMMENDATION

Staff recommendation is approval of all contract amendments in this order. If the Board desires to have staff explore alternative options, it will be done prior to the new contract expirations.
